

在震動中，保持單純

2008年1月24日

親愛的朋友、代禱者、與錫安一同站立的伙伴：

我聽到主說：「我用我的話和我的靈來擦亮你的鞋子。我正使你的雙腳被我靈的光充滿。我正在你的裡面創造平安，使光從你的雙腳照亮出去，並且你會看見你新的路徑。」

回到你的源頭，因為地球的眾源頭正開始震動。回到你的源頭！現在注視我。當你面對那疾病時，先注視我。是我造你的身體。注視我，並且我是多麼想要重組那敗壞中的細胞結構。當我想要潔淨你的血液，先注視我。我創造了地，所以當我開始重組這大地，先注視我。不是你的政治見解能改變世界的方向，而是我的旨意先被執行出來。

我正用天上的聲音來擊打地上。閃電要來到地上，並且向我的百姓發出新的代禱呼召。我需要有一群人興起尋求我，甚至在他們的禱告中也是先注視我。過去的宗教結構不能容納我正擊打地上的啓示。我已經釋放出擊打的手。我會擊打中國，並且她要震動。你會看見日本震動。深層的震動正進行著。這不是在這個時候開始的淺層震動，它是深層的震動。惟有那些能在地面上站立並衝浪的人才能站立得住。地要像海浪一樣地震動。阿拉斯加要震動。我必震動並重組中美洲，不然就會有一條接連世界的共產主義路線出現。這不是你過去所認識的共產主義，而是新的、正在形成、連結區域與區域間的毀壞性政治浪潮。我必須重組路線。先注視我。我統管諸天。我命名星宿。我引導太陽。

祂已在所有震動之先揀選我們站立並且治理，恩寵的華冠已經賜給你，戴上華冠並治理全地（詩8）！

祝福你

Simplify in the Midst of the Shaking!

Thursday, January 24, 2008

Dear Friends, Intercessors and Zion Aligned:

I hope each of you received the 8-Day Prayer Focus on **A Time to Evaluate the END of One Season and the New Beginning of the NEXT**. Each day's focus will assist you in entering into a new place with the Lord, or **going beyond** the place you have been halted or stopped in the past.

I hear the Lord saying: I'm shining your shoes with My Word and My Spirit. I'm causing your feet to be filled with the light of My Spirit. I'm creating a peace within you that causes light to shine out of your feet, and you will see your new path.

Come back to your Source, for the sources of the earth are beginning to shake. Come back to your Source! Consider Me now. Consider Me FIRST when you are facing off that disease. It was Me that originated your body. Consider Me and how I want to rearrange the cell structure that is moving in decay. Consider Me FIRST when I want to purify your blood. I created the land, so consider Me FIRST when I begin to rearrange the land. It is not your political opinion that will change the course of the earth, but MY will being acted on FIRST.

I AM striking the earth with the sound of Heaven. Lightnings are coming into the earth and I AM extending a new call of intercession to My people. I must have a people who rise up and seek Me, and consider Me FIRST even in their praying. The religious structures of the past cannot contain the revelation that I am striking the earth with now. MY striking hand has been released. I will strike into China and it will shake. You will see Japan shake. There is a deep shaking going on. This is not a surface shaking beginning at this time, but a deep shaking. Only those who can stand and surf the land will stand! The land will shake like a wave. Alaska will shake. I must shake and rearrange Central America or there will be a path of communism that connects the earth. It is not the communism that you have known in the past but a new, political wave of destruction that now is forming and aligning from territory to territory. I must rearrange paths. Consider Me FIRST. I rule the heavens. I name the stars. I direct the sun.

He has chosen us to stand in the midst of all the shakings ahead and take dominion. You have been given a crown of favor to wear. Wear that crown and take dominion in the earth! (Psalm 8)
